ABOUT STARAOK

StarBok is the branch of Newstar Group, was started in 2003, focusing on the hospitality producing and supplying. Now it's a leading supplier of quality products for the hotel and multi-family industries. We offer a complete line of various vanities including quality quartz, granite, marble surfaces, vanity base & apron, furniture & top, sink & faucet ect. We also provide tub & shower surrounds, window sills, thresholds, and many other similar items along with all of the various accessories.

We can provide all items based on overall quality requirements and competitive cost. This give you maximum flexibility in the selection process and allows us to directly your specific project based on the timing and individual preference.
